Yeah
Lights out [x2]

I'm late to the party 'cause it started at 9
I gotta call up my ex, so I'm runnin' behind
I'm wearing my stilettos with a couple of
And tonight, I'm hanging up 'cause I wanna get loose

I think I'm gonna fall in love with the DJ tonight
And make him press all my buttons 'till the music is right. [x2]

And turn the

[Chorus:]

(lights out)
I just wanna move (wanna move)
Now turn the (lights out)
Wind me up and see what I can do
Turn the (lights out)
Don't you wanna play (wanna play)
And turn the (lights out)
We can party (and party)

And wave hands in the air and my make-up is smeared
I think I'm loosing my mind, so many boys up in here
And the damn VIP is the place for me
I'm not with that but I'm cool as can be

I think I fell in love with the DJ tonight
I let him press my buttons 'till the music is right. [x2]

We turn the

[Chorus x2]

And when the light's out

This is the part when you turn me on (uh huh)
This is the part when you turn me on
But first, you press play, and then turn me on

First you press play, and then you turn me on.

Put your hands up [x4]

Hands up (x2)

[Chorus]

L-I-I-lights out (x5)
