These reasons confuse me
Why listen when we could
Get over and over and over?

We made it through, timeless
You came back in, mindless
My fire, my prior
My fire, my liar

Erase I, lose I
Forget I, I'm already gone
But still here

My memories linger
Much longer, forgive me
I wonder and wonder and wonder

If we weren't together
Forever or whether
I'd ever make it clear
Disappear, lose my fear

Erase you, lose you
Forget you, you're already gone
But still here [?x]

Living inside
Having to hide
Seeking denial
Running a mile
As if I am naked [2x]
[2x]
