"The Inside"

distant, but alive--
the soul of a wounded child
a million remedies tried
a million and one tonight
do ya wanna face it

or hope

you can't let go
of your heart and soul

hey doâ€¦
you wanna show me?
do you wanna feel this
from the inside?

looking for a sign--
she rides a wounded sky
a million symmetries hide
escaping her wandering eyes
do you wanna chase it

or hope

you can't let go
of your heart and soul

hey doâ€¦
you wanna show me?
do you wanna feel this
from the inside?

and I know
you can't let go
you won't open up

you can't let go
of your heart and soul

hey do
you wanna show me

do you wanna feel this
from the inside?
I wanna show you
what this feels likeâ€¦
come in and feel me
from the inside
