there's avarice in aggression
the fire it aches with perfection
I don't wanna show you anymore
you're choking on all your regrets
your violence aches in the cement
I don't wanna show you anymore

and I'm not gonna show you how
waiting for a sound
I don't wanna believe in you tonight
tonight

old mistakes that I have made
I don't want you to know
I guess I'll learn
I'll wait my turn
I'll wait my turn
tonight

the open ends of addiction
desire replaced with affliction
I don't wanna blame you anymore
with focus strong on the feeling
no room for thoughts you're concealing
I don't wanna blame you anymore

and I 'm not gonna show you how
waiting for a sound
I don't wanna believe in you tonight
tonight

old mistakes that I have made
I don't want you to know
I guess I'll learn
I'll wait my turn
I'll wait my turn
tonight

tonight
open your eyes
brace yourself its

always coming
always coming back

old mistakes that I have made
I don't want you to know
I guess I'll learn
I'll wait my turn
I'll wait my turn oh
I guess I'll learn
I'll wait for you
