Oh Yesterday
Where the friends all told
What we would not fold
When we grow old

Oh Michigan
Where the lake freezes over
Where the girl finds her lover
Where I call home

This is my life
This is my life
This is my life
This is my life

Oh today
Where the sun shines bold
Where my heart not show
When I sit in the road

Oh Indiana
Where the wind blows cold
Where we grow old
Where the locals smoke

This is my life
This is my life
This is my life
This is my life

Oh tomorrow
Here my eyes unfold
Where the future holds
When we grow old

Oh I am dead to this
Breathing in the life
Thru this bitter sweet devices
On a chilly April night

This is my death
This is my death

This is my death
This is my death

Breathe new life
Breathe new life
Breathe new life
Breathe new life

Oh I'm alive again
Oh I'm alive again
Oh I'm alive again
Oh I'm alive again

Covered by the love of God
Covered by the love of God
Covered by the love of God
Covered by the love of God
Covered by the love of God
Covered by the love of God
