"Reason To Live"

Visit "[Reason To Live](#)" on MotoLyrics.com

You're giving me a reason to live
And I wanna give back to you
There's something about the things you do

You're giving me a reason to live
And I want to go everywhere with you
When you feel sad and blue

Won't you come with me to the ocean
Won't you come with me to the sea
We can float away on the river
Of tears you cried for me

You're giving me a reason to live
And I wanna give back to you
For keeping me warm at night

You're giving me a reason to fly
When I'm with you I fly so high

Won't you come with me to the ocean
Won't you come with me to the sea
We can float away on the river
Of tears you cried for me
