Fountain . . . of . . . love!

One . . . two . . .

It was September, the leaves were gold
That's when our hearts knew that story untold
We were young lovers
(We were young lovers)
Strolling near
The fountain of love
Fountain of love
Fountain of love
(Fountain of love)
Fountain of love

Do you remember, I held you so near
Our love's glowing ember so precious and dear
We were young lovers
(Lovers)
Strolling near
The fountain of love
Fountain of love
Fountain of love
(Fountain of love)
Fountain of love

We made a wish
(Lo-o-o-o-ove)
And threw in a coin
And since that day
(Lo-o-ove)
Our hearts have been joined
So all you young lovers
(Lo-o-o-o-ove)
Wherever you are
The fountain of love is not very far
We'll go on dreaming of that golden day
And remember the fountain is not far away

We were young lovers
(Lo-o-o-o-overs)

Strolling near
The fountain of love
Fountain of love
Fountain of love
Fountain of love

(Spoken)
(Lo-o-ove)
We made a wish and threw in a coin
(Lo-o-ove)
And since that day, our hearts have been joined
(Lo-o-ove)
So all you young lovers wherever you are
The fountain of love is not very far
