Yeah!  
Got no place to go  
I'm tired of walking up and down the street all by  
myself  
No love left for me to give  
I try and try but no-one wants me the way I am

Why should I pretend I like  
To roam from door to door  
Maybe I'll just kill myself  
I just don't care no more

Because I'm not satisfied  
Everything I tried  
I don't like the way  
Life has been abusing me

Yeah! Yeah!

Who would care if I was gone?  
I never met no-one who'd care if I was dead and gone  
Who needs me to care for them?  
Nobody needs me, why should I just hang around?

Why should I just sit and watch  
While the others smile?  
I just wish that someone cared  
If I was happy for a while

Because I'm not satisfied  
Everything I tried  
I don't like the way  
Life has been abusing me

Yeah!
