Let me tell you
About this place called hopeless bay
Where even with no rays of sun
You still go out and play

And if you want
Your friends will just appear
Yeah they'll be waiting on the perron for you
When suicide is near

Chorus:
And anyone can come along
When times are sinking low
Hopeless bay can be as real
As the pain that made you go

If you screwed up
If you made some bad mistakes
It's easy to be straight before
For giving hopeless bay

And if you're lost
Then you've been soaked up by the mist
Any place you sit, you'll cherish more
That way you used to miss

Chorus:
And anyone can come along
When times are sinking low
Hopeless bay can be as real
As the pain that made you go

There is a bench
You can sit on when you lose
And if your ego is bruised you're still
Admired by the view

If you forgot
About the person you should be
In hopeless bay the people know you
Somewhat perfectly

[Chorus:]
