Humans are meant to survive  
But loosing you was my regret that I'm still alive  
Hope doesn't seem to exist  
And all that I long was your kiss

Refrain:

If only I could turn back time  
Just to make things right  
Coz' I can't take all of this  
I'm down on my knees

Chorus

I need you back in my life  
I want you here at my side  
Can't stand the pain without you  
Coz' my only cure is you

Hate was the only word I know  
Than seeking the laughter from my sorrow  
Dreaming of you and my heart beats fast  
I know after tomorrow that my life won't last

Refrain:

If only I could turn back time  
Just to make things right  
Coz' I can't take all of this  
I'm down on my knees

Chorus

I need you back in my life  
I want you here at my side  
Can't stand the pain without you  
Coz' my only cure is you

Adlib

Refrain:

If only I could turn back time  
Just to make things right  
Coz' I can't take all of this  
I'm down on my knees

Chorus

I need you back in my life  
I want you here at my side  
Can't stand the pain without you  
Coz' my only cure is you
