I passed the headliner on the street today
They didn't give me the time of day
But when those boys got up to play
Made me want a whiskey
Made me want to stay

I spoke with Kelly Ann
It was just this afternoon
She wouldn't give me the time to say
Oh that when your movin' [?] smiles my way
Makes me want to sing to you
Makes me want to play

Do it on the strings and you'll have brothers all
around you
Somewhere in there they hear the truth
Do it on the strings and the pleasure will surround you
Do it on the strings and it rings true

I saw the headlights coming down the road the other
night
I thought maybe it was Kelly Ann
But it was just another Rocky Mountain double[?]
Rolling on to Cedar City
Loneliness is me[?]

Do it on the strings and you'll have brothers all
around you
Somewhere in there they hear the truth
Do it on the strings and the pleasure will surround you
Do it on the strings and it rings true
