I read it in the Hudson Valley Camera today
and I recognized the number that was there
Just a silly piece of paper
shaking in my hand
was all the remained of my woman

you know I've had to change my plan
engagement ring for sale
you know I've had to change my plan

Connecticut in autumn
is a toughy for me
I don't even like to see those words on the page
I still remember the night
we were dressed up so nice
she gathered up her courage
and slipped the ring from my hand
