Can you smell sarcasm  
On my breath??  
I'm a new age puppet strung  
Out on death

A rat like me won't  
Save the world  
A freak like me  
A rat like me won't  
Save the world  
Going down and killin' time  
Down down down  
I do the dance of the cursed  
Everyday  
There's nobody worse  
Nowhere no way

A rat like me won't  
Save the world  
A shit like me  
A rat like me won't  
Save the world  
Going down one step away  
Down down down

Everybody's bangin'  
On this landmine  
Everybody's sippin'  
On their pain  
I am not alone in my head here  
But I'll gladly take the blame

I'm a snot nosed  
Nuclear punk  
A rat like me won't  
Save the world  
A man like me  
A dog like me won't save  
A worm like me won't save  
A rat like me won't  
Save the world  
Going down and killin' time

Down down down

Rat dog worm freak
