She's only fifteen
she's the reason, the reason that I can't sleep
You say illegal, I say legal's never been my scene

I try like hell but I'm outta controll

(chorus)

All in the name of,
all in the name of rock n' roll, all in the name of rock
For sex and sex I'd sell my soul
all in the name of, all in the name of rock

pretty pretty, so innocent
she says you ain't seen nothin' yet
brings me a dirty, dirty magazine
there she was for all the world to see, oh yeah

(chorus)

Says to me daddy
can I have some candy
wanna be your nasty
anytime you want
you know you can have me

(chorus)
