I've been an alley cat, I lived nine lives
Ain't like a fine wine, I'm better with time
Like a diamondback rattlesnake
I have the rattle if it had the shake

Until you gimme something to believe in
Until you gimme something to sink my teeth into

Now when the winds cry Angela
Angela I'll be there for you
And when the storms scream Angela
Angela I'll be there

I've been a poet always tongue in cheek
I've seen some scenes man you'd never believe
And like a supercharged rocket ride
You know they'd have gasoline if they had the time

Until you gimme something to believe in
Until you gimme something to sink my teeth into

Now when the winds cry Angela
Angela I'll be there for you
And when the storms scream Angela
Angela I'll be there

Oh Angela, oh Angela
When the winds cry Angela

Save me, I'm a suck soul sucker
In this whiskey ghost town
Save me, get me in your saddle
And ride me into the ground

Ooh, ooh, ooh, Angela
Ooh, ooh, ooh, yeah

Now when the winds cry Angela
Angela I'll be there for you
And when the storms scream Angela
Angela I'll be there

Oh Angela, oh Angela
Now when the winds cry Angela
Baby, baby, I'll be there
