Wanna be your dog
Wanna be your man
Let's break the
Speed of sound
Cause we're goin'
Way to fast

Lookin' for love??
Lookin' for a lover
Let me ask ya...
Is anybody out there???

I'm gonna die
You're gonna die
We gotta live for tonight
Cause we're runnin'
Out of time
Lookin' for love
Lookin' for a lover??
Let me ask ya...
Is anybody out there???????

Wanna be your dog
Wanna be your man
Let's break the
Speed of sound
Cause we're goin'
Way to fast
Lookin' for a lover
Lookin' for a lover
Let me ask ya...
Is anybody out there?
