And the label said, 'Take two for the pain'  
So now I medicate my brain  
And the conflict rubs against my grain  
But I cannot flush this down the drain, yeah

We are so hopeless  
We are so hopelessly in love

She breaks my will  
She's my bitter pill  
Addicted to her  
Can't fight off the chill

She's blurs my world  
She's my bitter pill  
We creep the night  
Just to taste the thrill  
Hopelessly in love

She's the kind of love, drives a man insane  
She sticks her poison right in my vein, oh yeah

Spinning around  
Over and upside down in love

She breaks my will  
She's my bitter pill  
Addicted to her  
Can't fight off this chill

She's blurs my world  
She's my bitter pill  
We creep the night  
Just to taste the thrill  
Hopelessly in love, in love  
In love, in love, yeah, yeah

She breaks my will  
She's my bitter pill  
She blurs my world  
She's my bitter pill, yeah, yeah

We creep the night  
Just to taste the thrill  
Addicted to her  
She's my bitter pill, my bitter pill

My bitter pill, my bitter pill  
My bitter pill, my bitter pill  
My bitter pill, my bitter pill
