

## Motley Crue "Blondes"

Visit "[Blondes](#)" on MotoLyrics.com

Is it matter of opinion  
Or just a contradiction  
But from where I come from  
All the blondes have more fun  
Well just watch them sisters  
On a saturday night  
Peroxide causin' all the fuss  
Oh yeah, oh yeah

I took a rose in texas  
She give me plenty of practise  
But I couldn't touch the surface  
Cause of a recent face lift  
She had no idea of what love's about  
'cept the one a'clock call  
On the casting couch, oh yeah oh yeah

Searchin' round new york  
It's on the cover of new vogue  
I ain't supposed to be available  
So completely untouchable  
I got a limousine and body guard  
And chaperone  
But god knows what  
I just need to vote, oh yeah yeah

You can keep your black and your redheads  
You can keep your brunettes, too  
I want a girl that's semi-tarzan  
Give me a blonde that's 6 feet 2  
Boy, and that ain't all

Dig this one  
I had a crush on bardot  
Fell in love with...  
Read about it in the nationals  
All the juicy little scandals  
But I never saw 'em dancin'  
At the county hall  
With the short fat guys  
Woman truely balled, oh no no no no  
Dig this

You can keep your black and your redheads  
You can keep your brunettes, too  
Don't want a subservient woman  
Give me a blonde that's 6 feet 2  
Boy, and that's ain't all, oh yeah
