I wake up to find myself  
After all these years  
And where all the time has gone  
Still seems so unclear  
Cause there's no one else  
Since I found you  
I know it's been so hard  
You should know

If I die tomorrow  
As the minutes fade away  
I can't remember  
Have I said all I can say?  
You're my everything  
You make me feel so alive  
If I die tomorrow

It brings out the worst in me  
When you're not around  
I miss the sound of your voice  
The silence seems so loud  
Cause there's no one else  
Since I found you  
I know it's been so hard  
But you should know

If I die tomorrow  
As the minutes fade away  
I can't remember  
Have I said all I can say?  
You're my everything  
You make me feel so alive  
If I die tomorrow

I spent all my life  
Looking for our innocence  
I've got nothing to lose, one thing to prove  
I won't make the same mistakes  
And now I know  
That everything will be okay  
If I die tomorrow

If I die tomorrow  
As the minutes fade away  
I can't remember  
Have I said all I can say?  
You're my everything  
You make me feel so alive  
You're my everything  
You make me feel so alive  
If I die tomorrow  
If I die tomorrow
