[Chorus 2X: Musiq]

I'm gone break you off(beat started.....start-started..)

I'm gone break you off(beat started.....start-started..)

I'm gone break you off(beat started.....start-started..)

Yeah Baby

[Verse One: Black Thought]

Bad Misses, Throwin raspberry kisses on me

You looking for directions?

Girl I feel your vision on me

Just dont let him see you sweat

and we aint spose to be involved

Knowing when we get it off, Girl I mean it off

Keeping you fiending 'til you taking it tossed

And when I'm breaking it off

Its no denying the fact it's wrong

'Cause you got a man who's probably playing his part

You probably breaking his heart

He trying to figure the reason, Uh

Is it because he's superficial

Or is he too submissive

Or did I come along and hit you with the futuristic

Or is it 'cause you really couldnt see a future with him

All he about is paper, never took the time with you to

listen

You want it gripped up, flipped, and thrown

And get stripped and shown, the way the getting is on

The cost, dealing with this you only taking a loss

You need to leave him alone

And go with the one who breaking you off

[Chorus 2X: Musiq]

Off...

I'm gone break you off(beat started.....start-started..)

I'm gone break you off(beat started.....start-started..)

I'm gone break you off(beat started.....start-started..)

Yeah Baby

[Verse Two: Black Thought]

Rolling down the highway

Listening to Sade sing

"The way the smooth operator move my way"
You sitting beside me
Looking like Friday Foster
Pam Grier structure look at your body
Keep eachother thirsty
Kisses like hershey
But lips is sealed
'Cause we dont need the controversy
I say I'm in town, You say you want it in the worst way
You probably told your man it was your it was ya lil's
birthday
Meanwhile, Its champagne chilling in ice
You ready for the freakiest stage you done in ya life?
We breakin down like we grove dogs pulling a hike
You making sounds like a vive ;got you reaching your
height
Prepare for flight, this is your captain
I'm getting strapped in
Theres no denying the strength
That its attraction girl
Workin with this you won't be taking a loss
So stop fooling your man and roll with the one
Who's breaking you off

(beat started)

[Bridge: Musiq]

Baby, Baby, Baby... don't you want me 'round
Nothing 'cause I'm coming too, and do you know..
Whenever you want, that thing you need, I got it
I'm there and I aim to please
I'm coming over to give it to you..
Baby.. baby..

[Chorus 2X: Musiq]

I'm gone break you off (beat started.....start-started..)
I'm gone break you off (beat started.....start-started..)
I'm gone break you off (beat started.....start-started..)
Yeah Baby
