I see the headlights on the highway
Im standing in the rain
Gonna hitch a ride to nowhere
Shake off mary jane
Ashes to ashes
Leave it in the dust
Don't worry about missin me
You do what you must whoa

Change no you can't change me
Into something I could never be
Sure nuff plain to see
That you cant, you cant
Change me

Are we losing our connection
Are you somewhere on the line
Yeah im hearing your suggestion
But it's too late, too late
Here tonight
So many reasons
Everybodys out of time
Ill take my chances baby
Ooh ooh and take what's mine

Change no you can't change me
Into something I could never be
Sure nuff plain to see
That you can't , you cant
Change me
You know you're something to see
But you can't no you can't change me
Youre somewhere in tomorrow
Im stuck here in today
Got more trouble than a man
Can borrow
When you're livinit up livin
In outer space

Change no you can't change me
Into something I could never be
Sure nuff plain to see

That you cant, you can't change me
Change you can't change me
Yeah I bet your something to see
But you can't no you can't change me
