(Sixx, Michael, Ashba, Frederiksen)

We're runaways in a band  
All roads lead to Hollywood  
We'll leave a scar, won't give a damn  
Vandalize the neighborhood  
Do you remember when?

We slept all day in our clothes  
That's ok in Hollywood  
Another shot, another show  
All night long at the Whisky a-go-go  
Do you remember when?

We were on the run  
Got loaded like a shotgun  
Livin' out a dream  
Down at the Whisky  
We never made a dime  
But, God we had a good time  
We always made a scene  
Down at the Whisky

LA girls they paid the rent  
While we got drunk on sunset strip  
And all the cash they made we spent  
On tattoos and cigarettes  
Do you remember when?

We were on the run  
Got loaded like a shotgun  
Livin' out a dream  
Down at the Whisky  
We never made a dime  
But, God we had a good time  
We always made a scene  
Down at the Whisky

(Yeah yeah yeah yeah)  
We were born to fight  
(Yeah yeah yeah yeah)  
And we were getting high

Livin' out our dreams down at the Whisky

We were on the run  
Got loaded like a shotgun  
Livin' out a dream  
Down at the Whisky  
We never made a dime  
But, God we had a good time  
We always made a scene  
Down at the Whisky

(Yeah yeah yeah yeah)  
Yeah and we were born to fight  
(Yeah yeah yeah yeah)  
Yeah and we were getting high  
Livin' out our dreams down at the Whisky

(Yeah yeah yeah yeah)  
(Yeah yeah yeah yeah)  
Livin' out our dreams down at the Whisky
