Alright, alright, this life is what you make it
Don't slide, you can't compromise
You click your heels 3 times, imagination runs wild
You can't analyze

So be sure that you are makin' the best of what
That you have the truth is all within yourself

Don't be a slave, a slave to someone else

Higher, higher, it's where we want to be
In our minds it will mesmerize
It's pleasure power that's what we devour
You can have it crystallize

Now it's time to look at what you've done with your life
And the path you found and followed in yourself

I won't be a slave, a slave to someone else
I won't be a slave, a slave to anyone

The question is, when it's all done
And who will stand and who'll run
The answer is right on my tongue
Won't be a slave to anyone, yeah, yeah, yeah, yeah

So be sure that you are makin' the best, makin' the best
of life
And that you have the truth is all within yourself

And don't be a slave, a slave to someone else
No, don't be a slave, a slave to someone else
