I saw a girl, she was walking down the street
She was sellin' Holy Bible, Lordy
She was lookin' at me, yeah

She said, "You know, boy
I can save your soul
For a price I'll have you
Knockin' on Heaven's door"

But I, I get it for free
She said, "Invest in the Lord
And you'll invest in me, yeah"
I said, I, I get it for free
I, I, I, I get it for free

Done, gone but I forgot
Forgot what she was selling
I really took me something back
How to get to Heaven, yeah

But I, I get it for free
I got an angel in the back
And she gives it to me, yeah
Yeah well, I, I get it for free
I, I, I, I get it for free

Come on back when you have something to sell
I don't already have
Maybe you'll come back when my old lady is out of
town
Then I'll take you straight to Heaven, yeah

I, well, I get it for free
Well, I, I, I, I want it for free, yeah
I, I get it for free
I, I, I, I get it for free

Well, I'm not asking
I, I take it for free
I, I, I, I get it for free

Hey, I said, I, I, I, I want it for free, yeah

I said I, I, I, I get it for free
I said, I, I, I get it for free, baby

I, I, I, well, I get it for free
Oh yeah, I said I, I get it for free
