When we make love  
It's hard to tell  
If you're dreamin' of me or  
Someone else

That drunken kiss  
Seems like a lie  
Don't say it's forever  
And then say goodbye

Glitter  
Don't ya leave me, please  
Believe me  
I only want your love  
Glitter, you're my lover, I'll  
Have no other girl  
I only need your love

When mornin' comes and the  
Sun shines bright  
You gonna need someone  
Someone that treat ya right  
So don't walk out  
When you wake up  
Let's give it a chance girl  
Let's give it a shot  
Give it a shot now

Glitter, don't deceive me  
Gotta believe me  
Only need your love  
Glitter there's no other  
You're beautiful  
I only want you

This is fine for now, but  
Maybe let's make a baby  
Inside of you  
It's just the time, we gotta  
Find, I want your name  
On my tattoo  
You blow my mind, so tell me

I wanna know

Glitter shines forever  
Forever an'ever  
I only need your love  
Glitter lay your head  
Down here  
I'll always be so near  
I only want your love

Here come the  
Here it comes  
There goes the  
There it goes  
Here comes our  
Love again  
Through the  
Window out  
I only want your love

There goes the  
There it goes  
Here comes the  
Here it comes  
There goes our love again  
Out the window
