I wake up to find myself
After all these years
And where all the time has gone
Still seems so unclear
'Cause there's no one else
Since I found you
I know it's been so hard
You should know

If I die tomorrow
As the minutes fade away
I can't remember
Have I said all I can say?
You're my everything
You make me feel so alive
If I die tomorrow

It brings out the worst in me
When you're not around
I miss the sound of your voice
The silence seems so loud
'Cause there's no one else
Since I found you
I know it's been so hard
You should know

If I die tomorrow
As the minutes fade away
I can't remember
Have I said all I can say?
You're my everything
You make me feel so alive
If I die tomorrow

I spent all my life
Looking for a real sense!
I've got nothing to lose
One thing to prove
I won't make the same mistakes
Now I know
That everything will be ok
When I die tomorrow

If I die tomorrow
As the minutes fade away
I can't remember
Have I said all I can say?
You're my everything
You make me feel so alive
You're my everything
You make me feel so alive
If I die tomorrow

If I die tomorrow
