I wake up to find myself  
after all these years  
and where all the time has gone still seems so unclear  
'cause there's no one else since I found you  
I know its been so hard you should know  
if I die tomorrow  
as the minutes fade away  
I cant remember  
have I said all I can say?  
you're my everything  
you make me feel so alive  
if I die tomorrow

it brings out the worst in me when your not around  
I miss the sound of your voice , this silence seems so  
loud  
'cause there's no one else since I found you  
I know its been so hard you should know  
if I die tomorrow  
as the minutes fade away  
I cant remember  
have I said all I can say?  
you're my everything  
you make me feel so alive  
if I die tomorrow

I spent all my life looking for a real sense  
I got nothing to lose one thing to prove  
I wont make the same mistakes  
now I know that everything will be ok  
if I die tomorrow

if I die tomorrow  
as the minutes fade away  
I cant remember  
have I said all I can say?  
you're my everything  
you make me feel so alive  
you're my everything  
you make me feel so alive  
if I die tomorrow

if I die tomorrow
