Oh yeah, yeah  
Black jack, roulette  
Losing high and low  
She rolls the dice  
She's as cold as ice  
Turn a young man old

Comedy and tragedy  
Entertainment or death  
Like Sister Morphine  
Hooked on her game  
Time to place your bets

But if it wasn't for bad luck  
I'd have no luck at all

Keep your eye on the money  
Keep your eye on the dealer's hand  
Keep your eye on the money  
Keep your eye on the lady's hand

Queen of Hearts or Ace of Spades  
Well, I'm dancing on the blade  
Freak show, goin' broke  
Crowd screams on for more

Electric shock won't bring you back  
You've gone over the boards  
Can't beat the clock, the deck is stacked  
Crowd looks in horror

Oh, if it wasn't for bad luck  
I'd have no luck at all

Keep your eye on the money  
Keep your eye on the dealer's hand  
Keep your eye on the money  
Keep your eye on the lady's hand

Keep your eye on the money  
Keep your eye on the dealer's hand  
Keep your eye on the money

Keep your eye on the lady, lady's hand

Keep your eye on the money  
Keep your eye on the money  
Keep your eye on the money  
Keep your eye on the money

Keep your eye, keep your eye on the money  
Keep your eye, keep your eye on the money  
Keep your eye, keep your eye on the money

Keep your eye on the money  
Keep your eye on the money  
Keep your eye on the money

Keep your eye, keep your eye on the money  
Keep your eye, keep your eye
