Music by Nikki Sixx & Vince Neil
Lyrics by Nikki Sixx

In the heat of the night
You went and blackened my eyes
Well now I'm back
I'm back
I'm back
And I'm coming your way
Well now I'm supercharged
Might just explode in your face
I'm back
I'm back
I'm back
And I'm primed for hate

Chorus:
Knock 'em dead, kid
(Knock 'em dead)
Knock 'em dead, kid
(Knock 'em dead)
The blade is red, kid
(Knock 'em dead)
Knock 'em dead, kid
Knock 'em dead

A star spangled fight
Heard a steel-belted scream
Now I'm back, I'm back, I'm back
Another sidewalk's bloody dream
I heard the sirens whine
My blood turned to freeze
You'll see the red in my eyes
As you take my disease

Chorus:

Solo:

Chorus
Knock 'em knock 'em knock 'em
Dead..... (scream)

Knock 'em dead, kid
