In the heat of the night
You went and blackened my eyes
Well now I'm back
I'm back
I'm back
And I'm coming your way
Well now I'm supercharged
Might just explode in your face
I'm black
I'm black
I'm black
And I'm primed with hate

Knock 'em dead, kid
(knock 'em dead)
Well Knock 'em dead, kid
(knock 'em dead)
Well it's a TKO
The blade is red, kid
(knock 'em dead)
Knock 'em dead, kid
(Knock 'em dead)

A star-spangled fight
Heard a steel-belted scream
Now I'm back
I'm back
I'm back
Another sidewalks bloody dream
I heard the sirens whine
My blood turned to freeze
You'll see the red in my eyes
Your gonna take my disease

Knock 'em dead, kid
(knock 'em dead)
Knock 'em dead, kid
(knock 'em dead)
Well it's a TKO
The blade is red, kid
(knock 'em dead)
Well, knock 'em dead, kid

(Knock 'em dead)

Knock 'em dead, kid
(knock 'em dead)
Well Knock 'em dead, kid
(knock 'em dead)
Well it's a one-round fight
His blood is red, kid
(knock 'em dead)
Knock 'em dead, kid
(Knock 'em dead)

Knock 'em
knock 'em
knock 'em
Dead...(scream)
Dead kid
