They told him not to wander  
They told him not to stray  
Listen to the warnings  
Never lose the light of day

There's danger in the darkness  
And death's not what they say  
Thunderclouds are rolling in  
Trouble's on the way

But you can feel excitement in your veins  
No holing back till you stake your claim

Surprise, disguise, better run  
Now you realize  
The kiss, abyss, knowing that  
You can't resist  
The thrill, the kill, and you  
Know that it's over  
With a look in her eyes

An ocean of temptation  
With every drop of wine  
Shadows meeting face to face  
The tentacles entwine  
One look from the jezebel  
Phony valentine  
Now you see the wanderer  
Frozen in the corridors of time

But you can feel excitement in your veins  
No holing back till you stake your claim

Surprise, disguise, better run  
Now you realize  
The kiss, abyss, knowing that  
You can't resist  
The thrill, the kill, and you  
Know that it's over

Surprise, disguise, better run  
Now you realize

The kiss, abyss, knowing that  
You can't resist  
The thrill, the kill, and you  
Know that it's over  
With a look in her eyes  
With a look in her eyes  
With a look in her eyes  
With a look in her eyes
