I'm just the bone in your side,
The disrespect in your eye,
I can't control myself.
I'm like a snake in your drain,
I'm taking over your brain,
'Cuz I can't help myself.

Every time I turn my head,
I can hear everything that's said,
I know they wish I'd go away.

Here I am again,
Hey now, hey now,
I'm the mother fucker of the year.
Here I am again,
Hey now, hey now,
I'm the mother fucker of the year.

Call me the jackle in heat,
The blackest cat on the street,
You better watch yourself.
A hand grenade with no pin,
A razor blade going in,
I'm going straight to hell.

Every time I turn my head,
I can hear everything that's said,
I know they wish I'd go away.

Here I am again,
Hey now, hey now,
I'm the mother fucker of the year.
Here I am again,
Hey now, hey now,
I'm the mother fucker of the year.

Here I am again,
Hey now, hey now,
I'm the mother fucker of the year.
Here I am again,
Hey now, hey now,
I'm the mother fucker of the year.

Here I am again,
Hey now, hey now,
I'm the mother fucker of the year
