I'm just a thorn in your side, the disrespect in your eye
I can't control myself
I'm like a snake in your drain, I'm takin' over your brain
'Cause I can't help myself

Every time I turn my head I can hear everything that's
said
I know they wish I'd go away

Here I am again, hey now, hey now
I'm the mutherfucker of the year
Here I am again, hey now, hey now
I'm the mutherfucker of the year

Call me the jackal in heat, the blackest cat on the street
You better watch yourself
A hand grenade with no pin, a razor blade goin' in
I'm goin' straight to hell

Every time I turn my head I can hear everything that's
said
I know they wish I'd go away

Here I am again, hey now, hey now
I'm the mutherfucker of the year
Here I am again, hey now, hey now
I'm the mutherfucker of the year

Here I am again, hey now, hey now
I'm the mutherfucker of the year
Here I am again, hey now, hey now
I'm the mutherfucker of the year

Here I am again, hey now, hey now
I'm the mutherfucker of the year
