I been out drinking with the boys again  
Sorry I'm calling after 2am  
Something that I need to say to you  
I know its late, but this cant wait  
I just got a new tattoo

One love and one woman  
You're my new tattoo  
Tonight is the very first night  
of my life with you  
Until the day I die  
I promise its true  
Everyone will see my new tattoo

Tonight I saw your face  
Up in the stars  
Stumbled here to paint you on my arm  
Something that I need to say to you  
So I wrote this song cos you belong  
Right here on my new tattoo

One love and one woman  
You're my new tattoo

Tonight is the very first night  
of my life with you  
Until the day I die  
I promise its true  
Everyone will see my

I don't wanna see us fade away  
I don't wanna be without you another day  
I could be your Dorian Grey  
I won't fade away  
No I won't fade away

One love and one woman  
You're my new tattoo(new tattoo)  
Tonight is the very first night  
of my life with you(new tattoo)

One love and one woman

You're my new tattoo(new tattoo)  
Tonight is the very first night  
of my life with you(new tattoo)

Don't wanna be without my new tattoo yeah...
