2nd I want you, I need you  
I want you to be mine tonight  
You need me, you tease me  
Use you up, throw you away  
You're fire, taking me higher  
Don't burn me, don't let me down  
You need me now, I'll teach you how  
Come on, let's go all the way

Get a piece of your action  
Ah huh  
Get a piece of your action  
Ah huh

Tight action, rear traction  
So hot, you really blow me away  
Fast moving, wet and ready  
The time is right, so hang on tight  
Live Wire, night prowler  
Lay back and take me inside  
You need me now, I'll teach you how  
Come on, let's go all the way

Get a piece of your action  
Ah huh  
Get a piece of your action  
Ah huh

I want you, I need you  
I want you to be mine tonight  
You need me, you bleed me  
Use you up, throw you away  
You're fire, taking me higher  
Don't burn me, don't let me down  
You need me now, I'll teach you how  
Come on, let's go all the way

Get a piece of your action  
Ah huh  
Get a piece of your action  
Ah huh  
I get a piece of your action

Ah huh  
Get a piece of your action  
Ah huh
