C'mon, c'mon  
Na, na, na, na  
Na, na, na, na, na, na

Got a date with  
My modem line  
Back door valentine

Internet jet set  
My credit card's in debt

Going down, I'm going down  
It's under my thumb  
Dot com, dot cum

Web cam, super scam, triple X, cybersex  
Shoot my rocks on the box  
Peeping Tom on the net

Down, I'm going down, going down  
I'm a cyber junkie, such a freak

Na, na, na, na  
Na, na, na, na

It's dirty love  
When I'm in love with a porno star

Na, na, na, na  
Na, na, na, na

Just the way it goes  
I'm in love with a porno star

My URL has gone all to hell  
HTTP, I'm addicted to technology

Going down, I'm going down, going down  
I'm a cyber junkie, such a freak

C'mon, girls

When I grow up, I want to be  
Just like Soleil, just like you  
When I grow up, I want to be  
Just like you, just like you  
When I grow up, I want to be  
Just like you, just like you
