I said dance, I said prance
Sleazing in like a monkey
That's cool, I say it's gross
Honey so damn the funky

D-d-dance to the rhythm
Jungle music rhythm
So primal, animal
Tearing down the gown

Striped with such a strip
She's a winner's rock shot
Don't give up, no
No she don't give a

Hey, hey, hey
She's a rock 'n' roll junkie
That's how she gets her kicks
The way she licks her lips

It's how she gets her fix
Another midnight monkey
How'd she get those kicks
Just a rock 'n' roll junkie

I'm a wildcat
I can't scratch
Nice to feel the wind's draft
Standing in the music

Dirty, dirty music
Dancing on the edge
She likes it that way
She likes it that way
She loves it baby

Hey, hey, hey
She's a rock 'n' roll junkie
That's how she gets her kicks
The way she licks her lips

It's how she gets her fix

Another midnight monkey
How'd she get those kicks
Just a rock 'n' roll junkie, alright

Oh, feels good

She likes it that way
She loves it baby
Hey, hey, hey

C'mon wild child, hey, hey
Give me a fix, baby

Hey, hey, hey
She's a rock 'n' roll junkie
That's how she gets her kicks
The way she licks her lips

It's how she gets her fix
Another midnight monkey
How'd she get those kicks
Just a rock 'n' roll junkie

Hey, hey, hey
She's a rock 'n' roll junkie
That's how she gets her kicks
The way she licks her lips

It's how she gets her fix
Another midnight monkey
How'd she get those kicks
Just a rock 'n' roll junkie

Hey, hey, hey
