She's got an alligator bag top hat to match
Dressed in black on black
She's got a Filipino girlie, she claims is her friend
I tell you boys, you just gotta laugh

Now I used to call her Cindy, she changed her name to
Sin
I guess that's the name of her game
Yeah, I really used to love her then, the kitty she
discovered
It's got to be a sexual thing

All around the world
Girls will be girls

It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain

I say, "No, no, no
No, no, no"

Introduced me to her lover in a cellophane dress
Then they bid me a sweet farewell
Last time I saw them they were kissing so softly
To the sound of wedding bells

Well, all around the world
Girls will be girls

It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain

Now don't you know
Girl, it's the same ol', same ol' situation
Everyday
It's the same ol', same ol' ball and chain

I say, "No, no, no
No, no, no"

It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain

Girl it's the same ol', same ol' situation
It's the same ol', same ol' ball and chain

You know we just gotta say
All around the world
Girls will be girls

It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain

[Incomprehensible]
It's the same ol', same ol' situation
It's the same ol', same ol' ball and chain
