There's a little old place  
Down south of le grange  
Where the whiskey flows and  
The nights go on for days  
My home on the range  
There's a sultry queen set her  
Sights on me  
Was the best damn thing that i  
Ever seen oh ya  
She's evangeline

That preacher's daughter,  
She took off her leather dress  
She pulled me into sin and now  
I must confess

She's a sister, sister of pain  
She's a knock down, drag it  
Out, lick it up to do it again

Such a sweet young thing took  
A bite out of me  
She spread her cards out for  
All the world to see oh ya  
I went willingly  
She walked me back darkened room  
Said this one's on me boy  
I want to see you howl at the  
Moon and i'm talkin' soon

That night I saw the light i'd  
Never seen before  
When I thought my time is up  
She said how 'bout a, a little more

For the sister, sister of pain  
She's a knock down, drag it  
Out, lick it up do it again  
A sister, a sister of pain  
Drop down, spread 'em out,  
Open up it's only a game

Suck your soul, make a blind  
Man see  
With a touch of her hand,  
Brings a devil out of me  
She held up a sign said  
Have no fear  
We got liquor up front, and  
Poker in the rear

For the sister, sister of pain  
She's a knock down, drag it  
Out, lick it up do it again  
A sister, a sister of pain  
Drop down, spread 'em out,  
Open up it's only a game  
Yeah

Sister, sister of pain  
She's a knockdown, drag it  
Out, lick it up do it again  
Yeah
