Slice Of Youre Pie  
Motley Crue  
(Dr. Feelgood)

Tattoo crawlin' down her leg, so sexy  
So young... Ever get caught, they'll arrest me  
School girl, studied up well on hoochie coochie  
Lick lips, kitten with a whip  
So undress me, undress me

Hey, pretty pretty with the sweet sweet eyes  
Order me up another  
Slice of your pie

Whiplash, I never looked at you in high school  
Hot child, always walk behind you  
For the rear view, rear view

Good God, baby, baby blow my fuse  
When you walk this way  
Nineteen, seductive ballerina  
So trashy, so trashy

Hey, pretty pretty with the sweet sweet eyes  
Order me up another  
Slice of your pie  
(Slice of my pie)

Hey, pretty pretty from across the room  
Got something sticky sweet for you  
Order me up another  
Slice of you, slice of you

Hey, pretty pretty from across the room  
Got something sticky sweet for you  
(Slice of my pie)

Hey, pretty pretty with the sweet sweet eyes  
I'm guaranteed to satisfy  
Just one wish before I die  
Order me up another Slice of your pie Pretty, pretty
