Distortion
Out of phase
Washes over my sour face
My life is through
Guess i owe it all to you
Check me out

You left me wonderin'
What i'm about
You suck me dry
Then you spit me out
There's still one thing
I can do
So i wrote this tune just for you

This song's to slit
Your wrist by
This song might have a twist
This song's to slit
Your wrist by
This song's my goodbye kiss

Black tears
Run down
My face
Check out the clown
Don't think i'm through
I'll just keep writing my tunes for you

This song's to slit
Your wrist by
This song might have a twist
This song's to slit
Your wrist by
This song's my goodbye kiss

This is from me to you
With love
From me to you
With love

This song's to slit
Your wrist by
This song might have a twist
This song's to slit
Your wrist by
This song's my goodbye kiss
