SHE got an alligator bag  
Top hat to match  
Dressed in black on black  
SHE got a Philipino girlie  
She claims is her friend  
I tell you boys, you just gotta laugh  
Now I used to call her Cindy  
She changed her name to "Sin"  
I guess that's the name of her game  
WELL I really used to love her  
BUT THEN she discovered  
It's got to be a sexual thing

NOW all around the world  
Girls will be girls  
It's the same ol', same ol' situation  
It's the same ol', same ol' ball and chain  
I say no no no  
No no no

Introduced me to her lover  
In a cellophane dress  
Then they bid me a sweet fairwell  
Last time I saw them  
They were kissing so softly  
To the sound of wedding bells

WELL all around the world  
Girls will be girls  
It's the same ol', same ol' situation  
It's the same ol', same ol' ball and chain  
Just like a punch in the teeth  
Or a swan dive to the street
