Get a grip on yourself, get in shape for tonight
Take a look at yourself or your dreams
You're losing sight
It just ain't right, it just ain't right

Hey man, look at me, I'm screamin'
Are you watchin' me bleed, are you believin'?

You got to stick to your guns
What's right for you ain't right for everyone
It ain't right for everyone
You got to stick to your guns
What's right for you ain't right for everyone
It ain't right for everyone

Too much too soon, too much for you
Everyday has a hero, don't it though
Don't let it go
Oh, you got to fight
It just ain't right

Hey man, look at me, I'm screamin'
Are you watchin' me bleed, are you believin'?

You got to stick to your guns
What's right for you ain't right for everyone
It ain't right for everyone
You got to stick to your guns
What's right for you ain't right for everyone
It ain't right for everyone
Come on boys

Hey man, look at me, I'm screamin'
Are you watchin' me bleed, are you believin'?

You got to stick to your guns
What's right for you ain't right for everyone
It ain't right for everyone
You got to stick to your guns
What's right for you ain't right for everyone
It ain't right for everyone
Come along
