Foolish bride call me up, beg to scratch her itch  
Rich old man got the needle, slipped and dropped a  
stitch, yeah  
Name a time, name a price, leave your door unlocked  
I'll bring a toy guaranteed to put the spring in your  
shocks, oh yeah

Sumthin' for nothin'  
Well, in and out, it's never free  
Sumthin' for nothin'  
Leave the money where it's easy, easy to see, oh yeah

Gigolo sounds so cold, call me, "Teacher's pest"  
Twice a day, double pay, at my trade I'm the best, yeah  
Never late, watch her watch, seconds on the clock  
Overtime, break my back, slip and fall in the crack, oh  
yeah  
Sumthin' for nothin'  
Well, in and out, it's never free  
Sumthin' for nothin'  
Leave the money where it's easy, easy to see

She plays the role of a roving matriarch  
Diamond rings, fancy things, dubonnet on the rocks,  
yeah yeah  
For a treat gave it free, happy sixty-three  
Crazy days, easy money, I was just sixteen, yeah  
Easy money for such a good deed

Sumthin' for nothin'  
Yeah, in and out, it's never free  
Sumthin' for nothin'  
Satisfaction guaranteed

Sumthin' for nothin'  
Target practice in the dark  
Sumthin' for nothin'  
I'm a crack shot on the mark  
And I love my work

Sumthin', nothin'  
Sumthin', nothin'
