Don't you know, know, know it's a violation
I still hear you saying, such a perfect, perfect night

No, no, no fight, all temptation
Well, in a black hearted alley fight
I'm screaming, "Take me to the heights tonight"

Take me to the top, take me to the top
Take me to the top, take me to the top
Take me to the top, take me to the top
Take me to the top, take me to the top
Take me to the top

Too many times, victim accusation
No, you don't have to take it like that
A sheer, sheer heart attack
No, no, no, no realization

Ooh, I never had a way with you
But I still hear you saying

Take me to the top, take me to the top
Take me to the top, take me to the top
Take me to the top, take me to the top
Take me to the top, take me to the top
Take me to the top

Take me to the top
To the top and throw me off
Take me to the top
To the top and throw me off

Take me to the top
To the top and throw me off
Take me to the top
To the top and throw me off

Take me to the top
To the top and throw me off
Take me to the top
To the top and throw me off

Take me to the top
To the top and throw me off
Take me to the top
To the top and throw me off

Take me to the top
