I heard some kids telling me
How they've lost all the faith in the way
They've been talking world peace
And the war's in the streets

The lines on there faces so deep
A revolution, or reach out and touch the day
We're overdue child

Change
Now it's time for change
Nothing stays the same
Now it's time for change

I feel the future in the hands
Of oyr youth will be safe
No more lies
Old, tired fools tell our future
With tarot cards, and lie of crime

The lines on there faces so deep
A revolution, or reach out and touch the day
We're overdue child

Change
Now it's time for change
Nothing stays the same
Now it's time for change

I'll change
I'll change
Not tomorrow, but today

Change
Now it's time for change
Nothing stays the same Now it's time for change
