Hey hey hey  
Hey kid, the whole house is shakin'  
We got the time, right in our sights  
Hey hey hey  
Hey kid, the worlds gone crazy, but you know  
It won't last too long  
You know it won't last too long  
You know it won't last too long  
You know it won't last too long

Hey kid, you're the toast of the town  
Well hey kid, you're the toast of the town

Hey hey hey  
Hey kid, what's it gonna get ya'  
Screaming through the hours of the night

Hey hey hey,  
Hey kid, the worlds gone crazy  
But you know it won't last too long  
You know it won't last too long

You know it won't last too long  
You know it won't last too long Hey kid, you're the toast  
of the town  
Well hey kid, you're the toast of the town

You heard me sayin', baby don't be a fool  
I got news for you  
Well pack your things baby, don't be a fool  
Before it crashes down on you

Down on you  
Down on you  
Down on you

[gtr solo]

Come on

Well hey kid, you're the toast of the town  
Well hey kid, you're the toast of the town

Well hey kid, you're the toast of the town  
Well hey kid, you're the toast of the town
