Lyrics: Sixx; Music: Sixx, Mars, Neil, Lee

Ragtime fast lane -- another overdose
You know James Dean wasn't playing the role
I said hey, you, what-cha gonna do
When time runs out on you

Use it or lose it
Sweet pain is the name of the game
I said hey hey hey hey hey

You better use it before you lose it
You better use it -- don't throw it away

JFK, Marilyn Monroe
Street walking gypsy -- Margaret Trudeau
I said hey, you, what-cha gonna do
Time's run out on you

Sweet pain is the name of the game
I said hey hey hey hey hey

Better use it before you lose it
You better use it - don't throw it away, hey

Better use it before you lose it
You better use it -- don't throw it away

Hey hey hey -- don't throw it away
Hey hey hey -- don't throw it away

Don't throw it away
