Little woman got that look in her eyes
Want to cut me down to size
Show me watcha gonna do...it's true
Who's that gorilla standin' by your side
Oh no that must be your ride
You wouldn't be with such a fool
Or your mama too

There's something over here i want you to see
There's a party but it isn't for three
Get something straight between you and me...because

(chorus)

Oh, no you're invited but your friend can't come
Oh, no come on baby we're gonna have some fun

Wow

Heartbreaker yeah you came for the show
But little did you know you'd end up in the spotlight
Well all right
Come on baby won't you show me what you've got
Ready or not...one, two, here we go
Oh no

Nobody's watchin' it's time to decide
Shake the monkey, mama don't be shy
Come on honey time to take a little ride because

(chorus)

Oh, no you're invited but your friend can't come
Oh, no you're invited but your friend can't come

Rock the night like a hurricane
Make me sweat like the drivin' rain
Pour it on till i can't get no reaction
It's gonna be your night tonight
I'm gonna make you feel all right
Scream and shout, i need it now!
Now! now! now! now!!!!!!

I'm making plans for the rest of the night
So tell your guard dog he better not bite
My dogs are bigger and they're ready to fight

Come on...come on...come on...give it up tonight!

(chorus)

Oh, no you're invited but your friend can't come

Oh, no come on baby we're gonna have some fun

We're gonna have some fun, we're gonna have some
fun

Have some fun, baby...oh...she can't come...

Lick it
