History, history repeats itself, but I, I just never learn
Your mistake was giving me your heart to break and
still I miss you so,
I just can't let you go, I hold you not to blame, I might
as well, I might as well give in

Oooh, take me back into your heart, let me in, with the
sound of your tears
Hopelessness, and am I the only one who wants it back,
don't you know
That I love you still

I have been terrified of changes, cause I've built my life
around you then
I suppose all good things are born to die and still I miss
you so, I just
Can't let you go, I hold you not to blame, I might as well
give in

Oooh, take me back into your heart, let me in with the
sound of your
Tears hopelessness, and am I the only one who wants it
back, don't you
Know that I love you still oooh
